Part 2: Peer Evaluation Form

Your name: _____

Team name or number: _____

Project or assignment: _____

Period being evaluated: _____

Date: _____

Instructions

Evaluate each of your teammates individually; do not rate yourself. Base your ratings on contributions you directly observed during the evaluation period. Apply the same standards to everyone and provide specific examples to support your ratings. Add or remove rows as needed.

Rating Scale

Rating	Meaning
5	Consistently exceeded agreed-upon expectations
4	Met expectations and sometimes exceeded them
3	Met agreed-upon expectations
2	Met some expectations but fell short in important areas
1	Rarely or never met agreed-upon expectations
N/A	Not enough direct observation to evaluate

Evaluation Criteria

- **Task completion:** Completed assigned work by agreed-upon deadlines.
- **Quality of work:** Produced accurate, thoughtful work that met project requirements.
- **Communication:** Responded to messages and kept the team informed about progress or obstacles.
- **Collaboration:** Participated constructively, listened to others, and supported team decisions.
- **Accountability:** Took responsibility for commitments and addressed problems when they arose.

Ratings

Enter a rating of 1–5 or N/A in each category.

Team member's name	Task completion	Quality of work	Communication	Collaboration	Accountability
1.					
2.					
3.					
4.					
5.					

Comments for Each Team Member

Complete the following section for each teammate. Explain any ratings of 1 or 2 with specific examples of unmet expectations.

Team member's name: _____

Main contributions and strengths:

_____

_____

Areas for improvement, with specific examples:

_____

_____

One suggested action for future teamwork:

_____

Acknowledgment

I have completed this evaluation honestly and fairly, based on my direct observations of each team member's contributions.

Name: _____ **Date:** _____
